Combined Club Achievement Day Tuesday, July 7

Annual combined Achievement Day and Sale by district 4-H beef clubs will be held at Sekura Auctions in Drayton Valley on Tuesday, July 7th.

Members of the Moon Lake, Tomahawk, Lobstick and Drayton Valley clubs will take part in the inter-club competitions with approximately 88 market calves sold later in the day.

Club achievement competitions are scheduled as follows: 9:30 a.m., Lobstick; 10:00 a.m. Tomahawk; 10:30 a.m., Moon Lake; and 11:00 a.m. Drayton Valley.

Showmanship judge will be Tom Brown, Assistant D.A. and livestock judge, Lorne Mix of Leduc. Sale of calves will start at 2:00 p.m. with Wendy Sekura and Slim Martin, auctioneers.

Zone Seven Tourist Association Formed

Towns and Villages between Winterburn and the Jasper Park gate and north to Grande Cache and across to Mayerthorpe and south to Drayton Valley are included in Alberta Tourist Zone #7. Tourist representatives from Towns and Villages within this area met in Entwistle recently and decided to re-activate the present Evergreen Tourist Association.

The purpose of the Association according to President Doug Laurie of Stony Plain is to ensure the development of the tourist industry. To work with and counsel all corporations, associations and others directly concerned with the promotion and servicing of the tourist trade for the economic betterment of the Zone, as well as the Province of Alberta and the recreational and cultural fulfillment of visitors and residents alike.

He went on to say, "That the ultimate achievement of the Association will be to develop a strong organization by fostering good relationships, based on common purpose with the Zone as well as with the 11 other operating Zones in the Province of Alberta. The Association hopes to gain the support of the private sector of the economy for the activities of the Zone. The Association will also encourage efficiency and high standards in the promotion of tourist facilities and attractions.

Recreation areas, transportation and roads, tourist servicing personnel and the business ethics of those dealing with tourism are other important objectives of the association.

Others elected to the executive were Mr. Dexter Champion, Hinton, 1st Vice President; Mr. Sam Lenko, Sangudo, Secretary; Mr. Mike Field, Mayerthorpe, Treasurer. The Past President is Mr. Jack Hook of Edson.

Directors are Dr. J. M. Grainge, Mayerthorpe; Mr. Wally Holowach and W.A. Lesko, Grande Cache; Reg Gardener, Edson; Mrs. Mable Zerke, Onoway. Directors will also be elected representing Drayton Valley, Entwistle, Evansburg, Wildwood, Spruce Grove, Gainford and the Counties of Parkland and Lac Ste. Anne.

The next meeting will be in Edson early in July.

EVANSBURG MILL RATE REDUCED

Evansburg ratepayers will enjoy a reduction of 12 mills on their 1970 taxes when they receive their tax notices next week. The mill rate dropped from an all time high of 86 to the present 74.

Mayor Guy Dompnier advises the reduction is due chiefly to the lowering of the supplementary school requisition as well as the cancellation of the 4-mill hospital tax.

Mayor Dompnier is extremely pleased the Council was able to lower the mill rate to that extent while maintaining sufficient revenue to recover a deficit of over $6000 from 1969 which occured as a result of extensive repairs to the Centennial arena.

Council was also able to reduce the supplementary school requisition by a further 3 mills to allow for the overcharge made last year following a special grant to the Edson School Division which came too late for the Village to adjust the 1969 tax notices.

Buck Lake Stampede Next Week

A popular, annual western Alberta event, the Buck Lake Stampede, will be held on Wednesday, July 8th.

Launching the day will be a mammoth parade starting at 11:00 a.m. with prize money offered in a varfety of categories. A full program of rodeo and race events will follow.

Rodeo events are all F.C.A. approved and entries close at 6:00 p.m., Monday, July 6th. For information contact H.P. Siegel of Buck Lake.

Stock contractor is Joe Bargett.

Midway attractions will be a feature of the day that will wind-up with a dance in the evening.

Fund Boosted

Members of the Junior High Grade Nine Investment Club made another presentation of $100 this week to the O.O.R.P. Purple Pansey Senior Citizens building fund. The club earlier donated $30.00 to the fund.

Members of the group raised the latest sum in their recent Wake-a-thon.

Major Revisions Expected In Farm Electrification

CALGARY -- Farm electrification in Alberta could enter a new era early next year, with farmer acceptance of bold changes to farm power policies announced by Farm Electric Services Ltd.

Acceptance by Rural Electrification Associations across the Calgary Power service area would lead to major revisions in policies governing rural power supply.

The proposals were announced in Calgary by F.T. Gale, vice-president of Farm Electric Services. FESL was formed in 1948 to act as the steward company for farm electrification.

Mr. Gale said the proposals would have wide-spread beneficial effects on rural consumers.

"The program was designed to iron out several problems in our farm service policy, and to offer a more flexible plan for serving the modern farm."

He added that there will be no increase in revenue to the power company.

In essence, acceptance of the proposals would permit the installation of larger transformer sizes, with no capital outlay by the farmer and relieve the limitations of circuit breakers in the smaller size.

"It took only 20 years to electrify over 99% of the farms in our service area. We now supply power to our farms over 30,000 miles of farmers' lines.

"It would have been impossible to carry out this program in so few years without the energetic support of the farmers, through their Rural Electrification Associations.

"However, with this tremendous building program virtually completed, we are entering a new era. This phase offers a more attractive and flexible power package to the Alberta farmer, without affecting the basic principle of sharing the costs among the members as equitably as possible."

Skating Judges' School Planned

There will be a judges school in Drayton Valley on July 12 starting at 9 a.m.

Anyone over the age of 18 is more than welcome to participate in this school. There is a real shortage of judges in the Canadian Figure Skating Association and our own club in Drayton Valley finds it quite difficult to obtain these judges.

A candidate for a judge must trial judge at least three tests in each category for which nominated, e.g., three Dutch waltz's, three canasta tangos and three swing dances required as an absolute minimum for appointment as a preliminary dance judge. Candidates for appointment to higher levels for tests in compulsory figure must also have trial judged at least three free skating programs applicable to each level. Incompleted figure tests at any level cannot be counted to make up the three minimum, but will be considered by the Judges Committee in assessing the competence of the trial judge.

For further information phone 542-9516 or 542-3986.

Regular Meeting Tomahawk Club

The regular meeting of the Tomahawk 4-H Beef Club was held on June 2nd at the Ostopchuk home, co-host was C. Zander. Roll call was "Problems with my calf".

The club outing to Sylvan Lake was discussed and various decisions made. A committee of certain members and the leader will meet to make final preparations.

Ticket books were gathered in and the money counted. The draw is to be on June 15th at the community meeting.

Various types of award trips were discussed and interest shown.

Two members representing the Tomahawk and District Club Mr. Dave Jouan and Mr. E. Pryor, attended out meeting on request. They answered questions to do with the coming meeting to be held for all the clubs in the community, which is based on bringing the community closer and sharing ideas etc.

LETTERS TO THE EDITOR

Editor,
The Western Review

Dear Sir:

I was a bit amazed by the letter from "A Former Patient" complaining about the meals received during his (her) stay in the Drayton Valley Hospital.

I have been hospitalized five times during as many years, and on every occasion the meals were most tasty, and attractively served. My only complaint was, that the servings were too large, sufficient, I think, for a hungry man. I hated to be chased home to look after myself and eat my own cooking.

I think, we in Drayton Valley are extremely fortunate in having such dedicated doctors, and a comfortable, well-run hospital where we are given the very best of care when we are ill.

F. Davey,
Drayton Valley.

Editor,
The Western Review

Dear Sir:

Where has the age of chivalry gone to?

Must we let our neighboring provinces show us proper manners? They are certainly showing you gentlemen of Drayton Valley up. They seem to remember how to raise a hand and remove their head gear.

We recently had visitors from Saskatchewan and had occasion to drink in your local tavern. They were utterly astonished at the gentlemen who were enjoying their beer with their hats on.

Is this not a mixed tavern, "Ladies and Escorts"?

Come on fellows, if you lack the manners to remove your hats how about a round for the house as penalty?

Lorraine and Myrna.

CHILDREN ON VACATION
DRIVE SLOWLY

Editorial Comment

Vacation Time and Water Safety

All set to dig out your swimming gear for the vacation and summer weekends ahead? Well, before you do, just pause for one moment, for now's a good time to think about the importance of taking special care whenever you're near water.

Last year saw a drop in the drowning statistics from 1968. This is most encouraging. However, there's one thing that is alarming. It's the fact that so many drownings result from sheer carelessness. Let's have a look at the details to see why.

First, over 10% of the persons drowned were unsupervised Children under the age of 12. The Red Cross stresses the risks involved in allowing young children to play alone. Children of this age are very adventurous and love to roam off by themselves. This makes it doubly important to watch them at all time whenever they are near water. A toddler in a paddle pool can drown within minutes if he falls face down. And a child playing with an inflated toy in shallow water can easily be carried into danger by a light gust of wind.

Another thing is that fully 65% of the drownings resulted from accidental entry into water. Most of these cases involved people falling out of boats or falling into water from dry land. Here again, lack of care played a big part. For example, it stands against all reason to overload a boat, yet people continue to do this and end up losing their lives. Non-swimmers should always wear a life jacket when they're out in a boat, and in a power boat it is vital that everyone sit in a secure position.

With respect to swimming, it's always wise to stick to supervised areas. Swimming alone in unknown waters can be very dangerous.

An effective way to being prepared against all these water hazards is to take a course in water safety. The Canadian Red Cross Water Safety Service offers just this. Its comprehensive programme includes the instruction of swimming, adaptability of the body to water, and various rescue methods. There are also special courses, including survival swimming and instructor training. Last year as many as 700,000 Canadians enrolled in the programmes. Why not do the same yourself this year or, at least, arrange for your children to do so? Once a child has learnt the benefits of water safety he will never forget them.

ENTWISTLE NEWS

Now that Mr. Oliver and I are home from our months holiday to England, which we enjoyed very much, I will try to catch up on some of the news.

Lila and Forrest Bancroft flew to Whitehorse to visit their son Bill and Ann. Before returning they are to visit several of the larger places, and we hope that they will enjoy every moment of it.

The Entwistle Fire Department answered the call to Gainford on Sunday, June 21st at 5:45 p.m. The old CNR station was on fire. Tomahawk and Wabamun Fire Departments were called to help control the blaze. The all-out was at 9:00 p.m. Many thanks to Mrs. Joan Kereluk for supplying the men and boys with food and drink, which was very much appreciated.

The last whist drive until fall was held on June 20th, with five tables of players. Winners were: Ladies, 1st Nellie Hamar, 2nd Lil Hanson, Con. Olive Goebel. Mens, 1st Clarence Willoughby, 2nd Lawrence Anderson, Con. Bill Davies.

The door prize was won by Angeline Dean. We have had a very successful year and we wish to thank all those who came and enjoyed the games with us.

Kerry Miller has gone to Kelowna, B.C. to work for the summer.

The Entwistle home and school social evening was held on June 17th and opened with the singing of O'Canada and Mrs. Field welcomed all who attended to pay respect to Mrs. Vi Cherrington on her year of retirement. The Jr. Glee Club sang songs, followed by the introduction of Mrs. Cherrington by Mr. Leo Jensen. Gwen Sheeler then presented a bouquet of flowers to the guest of honor. The Glee Club sang "My Best To You". Presentations were then made with Mr. Maddock representing the teaching staff and giving Mrs. Cherrington an old fashion bell used in the schools years ago. Mr. Ed Galpin, representing the districts presented a dresser set, and Don Gylander for the County Board presented to her a plaque. The Glee Club again sang, then gifts were given to those teachers who are leaving. Janet Melnyk gave to Miss Conick, Helen Hofman to Mrs. Burke, Chester Town to Mrs. Harrison and Lloyd Burke to Mr. Smith. They all thanked the Home and School for their thoughtfulness. LeAnn Smith then presented Mrs. Jackie Smith who has been teaching the Glee Club, with a gift from the club, after which two more songs were sung.

Mr. Hilmer Hofmann, President of the Home and School gave out the awards to the Grade 9 students. Lloyd Burke and Pat Smith tied for highest marks in grade 9 and Ronnie Adashynski received his award for honorary mention as his achievement in Math.

At this time Mr. George Mann presented Timmy Town with a County Award for saving his home from fire in January. The program ended with the singing of God Save the Queen and a lunch was served to all. It was a most enjoyable evening and a good number attended.

Mr. O. McWillis of Magnolia was present as he was taught by Mrs. Cherrington in her first year of teaching. Mr. McWillis's granddaughter, Mrs. Virginia Saunter (nee Webber) was also taught by Mrs. Cherrington.

Mrs. Henry Bohnet held an auction sale of her household goods on June 19th in the community hall. Many lovely things were auctioned and a large crowd was in attendance. Her three daughters and a son John were here to help their mother. We hope Mrs. Bohnet will always feel that Entwistle is her home and that she will come out to see and visit us sometime.

Mr. and Mrs. John Oliver and Vernon attended Alma and Alvin Roth's 25th anniversary party at Magnolia Hall on Friday, June 12th.

Mrs. Wilma Tufty has bought the Bohnet home and will be moving into town shortly.

On Father's Day, June 21st, fathers of the Brownies of the 1st Entwistle Pack were guests of their daughters. The fathers were great sports, participating in games and songs. A hay ride and weiner roast was culminated with the presentations of badges by Brown Owl Betty Sutherland and Tawny Owl Clysta Davies. Brownies receiving Golden Bar badges were: Tammy Gylander, Dawna Hofmann, Karen Lang, Joyanne Melnyk, Marilyn Moore and Peggy Sullivan.

Those receiving Golden Hand badges were: Helen Hofmann and Leslie Sullivan. Proficiency badges were presented to: Joan Banks, Margaret Banks 3, Shelly Carnahan 3, Tammy Dickmann 1, Sandra Gylander 2, Tammy Gylander 1, Dawna Hofmann 2, Helen Hofmann 2, Kathy Hofmann 2, Ruth Hofmann 2, Wanda Kidner 1, Sonia Kochansky 1, Karen Lang 2, Sherry Lang 3, Diana Marion 1, Janet Melnyk 3, Joyanne Melnyk 3, Marilyn Moore 1, Norine Nelson 1, Shirley Romanchuk 6, Coreen Roth 3, Susan Sawatsky 2, Gwen Sheeler 1, Leslie Sullivan 5, Peggy Sullivan 2, Connie Sutherland 2, Roxanne Tompkinson 1, Debby Willoughby 1. Transportation was supplied by Scott Sutherland.

The O.O.R.P. presented gifts to the three Brownie leaders for their wonderful work throughout the year. Many thanks ladies.

Men's Fastball Underway

On June 24th Easyford played Brightbank in a game that ended in a 2-2 tie. On June 25th Easyford played Tomahawk and won 14-4. Gary Hartman was the winning pitcher. The highlight of the game was the double play with B. Swap to C. Hutchinson to O. Hutchinson.

Next game will be played at Easyford against Alberta Beach at 2:00 p.m., Sunday, July 5th.

D. V. Highlights

By Mrs. Edith Deby

Library patrons are reminded that during July and August the library will be open on Friday only from 3 to 5 and 7 to 9 p.m.

Mr. and Mrs. Neil MacLean and Mrs. Look were fortunate to sight a Great Blue Heron recently on the Saskatchewan River. According to the bird book there is a heronry at Lake Isle but only very occasionally does one hear of a pair nesting in this locality.

Messrs. Brownbill and Pickovance are moving on to their farm at Violet Grove this week. Many of us think of this piece of property as "The Jim Trackwell Place" although it was owned for years by Mr. Peter Gregerson.

Mr. and Mrs. Edwin Strickland spent their holiday in Nova Scotia, their home province.

Mr. and Mrs. Ken Straarup of Camrose, and Mr. and Mrs. Larry Varty of Drayton Valley, holidayed together for two weeks on Vancouver Island.

Mr. and Mrs. Clarence (Dutch) Van Dorp will leave shortly for a visit with Mrs. Van Dorp's mother and other relatives in Saskatchewan. Later in the summer it is expected that the Senior Van Dorps will come from Holland for a short stay.

Remember Joe Dixon who was at one time on the town police force? The Dixons were in town recently. They are in Fort McMurray now and are very enthusiastic about that town and area.

Mrs. Lyle Beckett received a painful injury when her saddle horse stepped on her ankle. A cast has been necessary which is most irksome to a farm housewife on a busy summer schedule.

Mr. and Mrs. John Poloway, accompanied by Mr. Poloway's mother, have just returned from a ten day visit in Circleville, Ohio. Mrs. Poloway Sr. was thrilled to have the opportunity to attend her grandson's wedding. Mrs. Fodchuk of Athabasca stayed with the Poloway grandchildren during their parent's absence.

KEEPHILLS NEWS

It was a busy week for a number of people in this district last week. Mr. and Mrs. G. Raymond moved into their new mobile home, Mr. and Mrs. Oscar Raymond and family from Edmonton moved into their recently purchased home at Keephills, and Mr. and Mrs. LeGrand moved their last remaining items from the community store.

Keephills men's soft ball team lost their game at Wabamun 14 - 16 and on Sunday they won at Seba 14 to 11. At Stony Plain on Farmer's Day they lost 5 to 7.

Some folks from this area attended the parade at Spruce Grove on June 20th and took in the ball games.

It seems the flu is still around and several have caught the bug recently.

Flora Porter is up and around now without her crutches, following four weeks of being either in a wheelchair or on crutches, due to an attack of phlebitis.

TOWN OF DRAYTON VALLEY

NOTICE

Re: Off-Street Vehicle Parking

The Zoning and Planning Bylaw No. 449 of the Town of Drayton Valley, Schedule "C" contains the following section governing the storage of motor vehicles in the residential area of the said town:

2. OFF-STREET VEHICLE PARKING REQUIREMENTS

(2) Storage of Motor Vehicles - in a Residential Area

(a) Only private automobiles, half-ton and three-quarter ton trucks and school buses may be parked on the streets providing no traffic hazards are involved.

(b) School buses and trucks of 9000 pounds tare weight and under may park in the rear of residential lots.

(c) Vehicles used to transport inflammable products or those of an offensive nature are prohibited from parking.

((d) No dismantled or wrecked vehicle shall be stored in a part of a residential zone for more than (7) seven successive days.

Certain incidents have occurred over the past week involving the possible contravention of Section 2(c) above. In consequence all owners and/or operators of vehicles falling into the category outlined by this section are required to govern themselves accordingly.

It is also brought to the attention of all owners and/or operators of motor vehicles that they should become familiar with the provisions of the whole of the above noted section and govern themselves accordingly.

The full cooperation of all concerned is earnestly solicited.

ALDER FLATS NEWS

The Alder Flats 4-H Club had 12 calves shown at the Winfield 4-H Beef Club Show held June 12th, this year they did not auction their calves off, but were shipped to Gainers in Edmonton for rail grading and carcass evaluation. This was something new tired for this year and the leader, Mr. Larson was quite pleased with the outcome. Results of this for Champion and Reserve went to Janie Seely and Dean Seely respectively. Showmanship went to Ross Larson and second to Robert Maciborsky. First in the Grooming was Glen Rainer and second was Shannon Anderson. Best Rate of Gain, overall clubs, was Dean Seely's calf at 2.79 per day. Gainers were the successful bidders with 52¢ choice, 51¢ good, 50¢ standard, 49¢ com.1, 48¢ com.3.

A pot luck supper will be open to the public on July 31st at 6 p.m. in the school auditorium. This is a good opportunity to come out and get acquainted with some of the activities involved with the 4-H. All five clubs will partake in the supper, there will be representatives from the Department of Youth and the U. of A. Animal Science, also Mr. Roper of Edmonton. So prepare your favorite pot luck dish on the 31st and come and enjoy the festivities, special guest speakers, trophy awards, etc.

On June 17th the Alder Flats Community Association meeting was called to order by President Gordon Foss. There were 17 present. Mr. Foss explained the W-5 Planning Commission, he along with several others attended the meeting at Winfield on the 16th. A committee consisting of Norman Moore, Alex Danyluk, J.L. Seely, Bob Wennerstrom and Gordon Foss have planned and drawn up a scale of the Alder Flats Recreation grounds. These plans are in the post office for you to view at your convenience.

Proposed expenditures for the coming year are, payment to the County of $500, skating rink, race track, repairs on the hall, deep freeze, hot plate, janitor wages and supplies, base pad for ball diamond, bleachers and installing gas if available. If the funds last they hope to get most of the above done. Approximate operating costs for a year are: telephone $60, power $170, propane $340, insurance $281, secretary $50, fuel for skating rink $100.

The volunteer committee to adminster and buy material for the skating rink is Bob Wennerstrom, Gordon Schnieder, Gordon Foss and Richard Russel. Committee in charge of race track is J.L. Seely, Ken Hayduk, Scotty Hare and Ted Maclean. Gordon Schnieder is donating the posts needed for the skating rink. There will be lots of voluntary help needed, so if you have any spare time contact anyone of the persons on these two committees they will give you more information as to when they will be starting work on these projects. Next meeting discussion on liquor dispensors.

Visitors at the Lou Seely home recently have been Lou's mother from Lethbridge who spent a week with them and weekend visitors for the 13th and 14th were Darlene's brother, Danny Peterson of Red Deer and Linda Seely and friends Elaine and Bonnie Banake of Red Deer.

On June 18th the Alder Flats senior men won the soft ball game on Thursday night against Winfield 12-8, at Alder Flats.

On Monday, June 22nd, Sally Speakman was driven to Winfield by her brother Les, where she then accompanied Mr. Polei (a teacher) to Edmonton, where they will register at the university and take part in the high school students council workshop from June 22nd to 27th. Sally would like to thank those who made it possible for her to attend the workshop.

Congratulations to Ralph and June (nee Nicolls) Germain of Red Deer on the birth of a son, Thursday, June 18th. Another grandson for Elgin and Francis Nicolls.

Loretta Hare is going to the city on Tuesday and hopes to have her cast removed then.

Les Speakman will leave for his summer job with Black Gem Oil Field Construction shortly after school is out. Les will attend a wedding at Josephberg on July 4th and the following day will take a plane to Zama City where he will be employed for the summer months.

Dennis Nelson took a car load of young people with him to Warburg on Friday evening, for a farewell party for Rev. and Mrs. B. Hallgren.

On June 18th the grades 5 and 6 students won their ball game against Buck Lake 25 to 14, whereas the grades 3 and 4 lost their game to Buck Lake 16-9.

On June 19th grades 7 and 8 won their game against Buck Lake 35-4. All games were played at Alder Flats.

Y.E.S. to Hold Grand Opening

Grand Opening of Y.E.S. (Youth Employment Service) will be held Thursday, July 2nd in the Centennial Civic Centre. Please attend if you need information about the service.

Coffee and doughnuts will be served. Everyone is welcome.

Of adults contacted in Edmonton by Red Cross when special calls for blood are made, only 47% of those who agree to come actually do come down to Red Cross house. It is very near to 100% when teenagers are called.

Ice Carnival Shows Profit

After payment of all accounts the Drayton Valley Rotary Club has announced the financial results of the 1970 Ice Carnival.

Receipts totalled $2407.13 and expenses were $1251.40. The profits were divided between the Figure Skating Club and the Rotary Club. The Figure Skating Club will use their share of the profits to further figure skating in Drayton Valley and the Rotary Club share will be used for the operation and maintenance of the Scout Hall.

The Figure Skating Club and Rotary express sincere thanks to the organizations, companies and individuals who donated their equipment, materials, labor, time and talents to make the 1970 Ice Carnival the success that it was.

To those who supported the carnival by their attendance, thank you, it is hoped that you enjoyed the show and will be back next year.

Major Revision

(Cont. from Page 1)

Under the plan four broad modifications to the existing structure are proposed.

:Transformer changes will be made with no capital outlay by the farmer.

:Everv REA customer with a 7½ KVA transformer, or larger, will be refunded the cost difference between his transformer and a 5 KVA transformer.

: Secondary circuit breakers on 3 KVA transformers will be upgraded to a 5 KVA rating, as required.

: A new rate structure will be introduced to distribute the costs over the KWH use.

Additionally, the proposals would largely eliminate the inconvenience of secondary circuit breakers tripping, requiring manual re-setting.

The new rate structure will lump into a "pay as you use" rate. Deposit Account and Operating Account contributions will be incorporated into this cost-per kilowatt-hour formula.

Under the existing system consumers pay set amounts into the Deposit and Operating accounts. The Deposit Account is maintained by each REA as a replacement reserve. The Operating Account is designed to pay for the day-to-day operation of the REA distribution system.

In the past two years the REA Operating Accounts have been in a deficit position. Forecasts indicate that this cost trend will continue. The new rate schedule will include an increase to offset this loss to the REA Operating Account.

Mr. Gale said the new program is the result of several years of intensive study. One of the initial studies was conducted by Alberta farmer George Mead. Many of the proposals oulined are based on recommendations in the Mead Report.

P.O., Treasury Branch Robbed at Wabamun

WABAMUN -- On the night of June 15th, the post office and Treasury Branch agency in Wabamun was robbed of $4,000.00 in a daring hold-up.

Mr. and Mrs. Ken Finlayson and their daughter Colleen spent an agonizing night at the hands of thieves who chained and padlocked them in the basement of the building, which houses the post office, the Treasury Branch agency and is also their living quarters.

At about 10:30 p.m. Mr. Finlayson heard a noise at the back of the building and went to investigate. At this time the thieves forced their way into the building and terrorized the family.

When the post office wasn't open at 9:10 the next morning, Mrs. Phyllis Burton of Wabamun went to investigate and heard the cries for help from the basement.

It is understood that about $4000.00 was stolen and much of the mail which arrived at about 11:00 that night was torn up and scattered around the building.

Police are investigating.

Funeral services were held from the Nazarene Church, Rocky Mountain House on Monday, June 22nd with the Rev. W.H. Rosenkranz officiating. Interment followed in the Pine Grove Cemetery.

Players Enjoy Sunday Picnic

A picnic and water skiing party was held for the Burrows Motors All Star Hockey Team "The Challengers" on Sunday, June 28th at the cottage of Mr. and Mrs. Burrows at Lake Isle. Everyone brought their own picnic lunch and supper.

Although the weather was not the best for skiing, just about everyone got wet in some way or another, needless to say a lot of soggy clothing had to be dried out in various ways.

The boys were accompanied by their coach, Mr. Barry Richer, their Manager Mr. Allan Baker, Mrs. Baker and Mr. and Mrs. John Hall.

LODGEPOLE NEWS

Mr. Neilson left by plane for a five week visit to Denmark. It is 25 years since he has been there.

Mr. and Mrs. M. Karach and family have moved from D lease to their home in Drayton Valley.

Mr. Peter Hyde and Mrs. Mary Reid are attending teacher summer courses at the university.

Several months of boat building by Mr. Len Kay were successfully concluded with the launching of a trim sea-worthy craft.

SUB-MITS FROM THE ELEMENTARY SCHOOL

By the time you read this, another school year will have drawn to a close. The excitement of exams, report cards and year-end picnics will be over. To the children, we wish "happy holidays". To the teachers we wish the same and may you come back well rested in the fall.

Several of our teachers will be leaving. We wish you luck and happiness in the future and may you keep a soft spot in your heart for your associations here.

Mrs. Isobel Hoyland will be going to Daysland. Mrs. Marie Trow is going home to Wales. Miss Julie Madsen is going to attend Bible College in Camrose. Mrs. Dawne Baker will be teaching in Leduc. Mrs. Anne Sware thinks she is retiring. Mr. Peter Kowalchuk will be entering the firm of Instructional Media Services Ltd., Mr. Alan Baker will be going back to University and Mrs. Louise Martin, whose husband has accepted a call to Ebemezer United Church, will be living in Edmonton.

During the year you have a read a few life histories of the teachers on staff. Watch for the rest next term.

* * *

School will re-open for the children on Thursday, September 3rd. However, teachers report for duty September 1st. The staff is looking forward to a landscaped playground in the fall.

Did you hear the story of one little beginner who came up to Mrs. Nordby on supervision and said, "I know what you are doing. You're babysitting us, aren't you?"

Sincerely,
Olga Brown.

TOMAHAWK
The Best Place to Live

Do you want to get away from high rent, high tax areas and still be close to the lake resorts and big centres?

If so, TOMAHAWK has much to offer. Many reasonably priced choice lots are available. Tomahawk has good roads, public sewer and an active fire department with trained crews. Two churches, excellent school facilities are available for junior and high school.

The village has a fully licenced Hotel, Garages, General Store, General Insurance Agency, Bulk Oil Dealers, Hardware Store and Electrician, Transport Truck Service and other services. Sportswise it has an active Curling Club with a two sheet rink, a new skating rink (standard size) and a new recreational building for hockey, skaters and teen use. Also ball teams for every age.

Investigate and settle in Tomahawk, you'll be glad you did.

MOON LAKE NEWS

Mrs. Fay Banks and girls are leaving for a month long vacation on July 1st for Broxburn, Scotland. While there she will visit her grandmother and relatives. They will then go to Wolverhanton, England and visit her husband's grandparents and relatives. She will attend a cousin's wedding in Blackburn, England while there.

The picnic here was well attended on June 27th with the ball games, races and other sports over by the time the rain came down. The dance in the evening wasn't spoiled by the rain, as the crowd was there to enjoy the evening to finish off the event.

Mr. Otto Hansen and family left for a week's vacation to Kitimat, B.C.

The next bingo will be held in the community hall on Thursday, July 2nd.

Mr. and Mrs. Stanley Woloszyn attended a family reunion held at the Easyford Park on Saturday, June 20th.

Sorry folks, no news for next week as we will be on a short vacation to the U.S.A.

Mr. and Mrs. Ralph Telford motored to Calgary on Thursday, June 18th and returned on Monday, June 22nd. They visited with their daughter and family while there.

Mr. and Mrs. Jay Town and Mr. and Mrs. Lyle Town will leave on Thursday, July 2nd for Vancouver where they will visit Mr. Town's brother and sister. From there they will travel to Oakland, California to visit Mrs. Town's brothers and sisters. They plan to be away on vacation for the month.

Mr. and Mrs. Ralph Tufty's daughter Lil was here for the weekend and attended the picnic to meet with friends and relatives.

C.W.L. Meets At Evansburg

The June meeting of the Evansburg C.W.L. was attended by 8 members.

The Strawberry Tea and Bake Sale was very well attended and the C.W.L. wish to thank all those who made it a success. The portable barbeque was won by Mrs. F. Croft.

It was decided by members that corn on the cob be served for the July 4th big event and a float be entered and decorated by a committee.

On July 28th a picnic will be held for the catachatical group and their teachers, at the Pembina River in the afternoon.

Clothes for the Marian Center may be left at the home of Mrs. G. Williams or at the rectory.

Anyone needing clothing may contact Mrs. G. Williams. These clothes are available to anyone who may be in need of them.

The meetings will not be held during July and August.

A parish picnic will be held at the Pembina River on July 21, weather permitting. Final arrangements will be announced in the Sunday bulletin, preceeding July 12th.

WABAMUN NEWS

We are very sorry to hear that Mr. James Savard suffered a heart attack the other evening and is in the hospital in Stony Plain. We hope you will soon be better Mr. Savard.

Mr. and Mrs. Harold Miller and daughter Jacalyn are home after motoring to Victoria. While there they visited with the latters brother Jack and his family and an uncle, Mr. Ken Hancock and his family.

Pre-schoolers are on their way to school these days, and seem quite happy about it all. Most of them think it is fine and are looking forward to going to school in the fall.

Mrs. R.T. Ward put on a surprize birthday party for her daughter Kathleen on June 18th. All present had a good time, after which Kathleen spent a few days at home with her parents before going back to Edmonton.

There was a miscellaneous shower for Miss Pat Pawlik of Carvel at the home of Mrs. Lorne Anderson here in Wabamun on June 17th. Pat's sister and her cousin helped her open her gifts, after which Pat thanked all for the lovely gifts and also thanked the hostess for having the party for her. Pat's forthcoming marriage to Mr. George Stark is to take place on July 11th. We wish them both the very best of everything.

I hear that Constable K. Nichols has moved his family to Wabamun. We wish them well here in our community.

Mr. and Mrs. Duane McCullough of Edmonton visited at the home of their grandparents Mr. and Mrs. D.M. Roberts last Sunday.

Parkland Notebook

The Parkland Regional Recreation Department will sponsor a completely new program during the last two weeks in August.

A travelling craft trailer will visit four different areas in the region, bringing along instructors and supplies for everyone to try their choice of crafts such as: primitive pottery, weaving, basketry, sketching and painting.

Adults as well as teens and children are welcome to attend this outdoor craft workshop. To enable everyone who attends to finish their projects and try new crafts, the trailer will stay in each of the four areas for two days at a time.

It will be open from 1-5 and 6-9 p.m. Choose the location which is closest to you and make up car pools from your community to visit the trailer.

A pot luck supper will be served daily at supper time. Just bring along a can of food of your choice, and a spoon.

All materials are provided free of charge. However, we a would appreciate it if anyone has any left-over wool to donate it to the Recreation Department. Just give us a call at 777-2211 and we will pick it up.

During the next few weeks I will write a little bit about each craft you will have the opportunity to try out at the trailer.

In the meantime, reserve a couple of days in August.

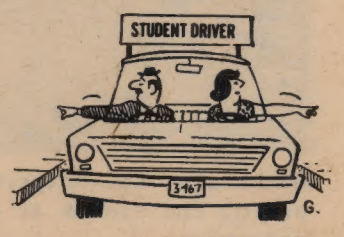
The schedule is as follows: Rocky Rapids area, August 17-18, 1-5 and 6-9 p.m., Rocky Rapids Hall; Wabamun area, August 21-22, 1-5 and 6-9 p.m., Wabamun School Grounds; Stony Plain area, August 24-25, 1-5 and 6-9 p.m., Stony Plain Arena; Spruce Grove area, August 27-28, 1-5 and 6-9 p.m., Spruce Grove Community Centre.

****

The Summer '70 program offered to you by the Parkland Regional Council has now been finalized. The program is designed to appeal to all age groups and will include arts and crafts, sports, games, music and drama, geared to the interest level of the participant.

Since the Parkland Regional Recreation Council is supplying the materials for the program there is no cost to the community. However we would like participants to bring scrap materials such as paper, magazines, detergent bottles, cloth, old jewellery etc. Also each community is planning and making arrangements for the evening meal. Contact your community executive regarding this.

The program is being offered in 16 communities and will be in each community twice throughout the summer. Please check the list of communities for the location nearest you. Mark the dates on your calendar of events and plan to attend. Summer '70 is for you.



THANK YOU

The Elks Lodge take this opportunity to express its sincere thanks to all who helped make the recent Car Raffle, in aid of the Building Fund, a success. Thanks again to those who bought tickets.

Summary Regular Meeting
Parkland School Committee

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Tuesday, June 16.

Present were Messrs. R.A. Bailey, George Mann, L.N. Miller, Peter Bakker, R. Lent, Ivan Vowk, Don Gylander, J.W. Tyler, Mrs. Elizabeth Howery and Mrs. A.C. Kritzinger, School Committee Members, also Assistant Superintendent, Mr. W.G. Wilson and Assistant Secretary-Treasurer, A.W. Boychuk.

SUSPENSION OF MR. BRIAN BERNARD

A letter was received from parents of the Spruce Grove district with a list containing 140 names endorsing the action of the School Committee in terminating Mr. Brian Bernard's contract effective June 30, 1970.

It was moved and carried that the letter from the Spruce Grove parents be tabled for information and that it be requested that the original petition be forwarded to the County Office.

A delegation came to see the School Committee regarding the termination of Mr. Brian Bernard's contract.

This matter was discussed in detail and the delegation was assured that their presentation would be carefully considered.

After careful consideration of the facts involved, and since it was felt that no new evidence was presented, the following resolution was introduced:-

It was moved and carried that the School Committee re-affirm its decision in terminating Mr. Brian R. Bernard's contract effective June 30, 1970.

Mr. Ken Hoople, Bus Operator from Entwistle, came to see the School Committee regarding school busing. He asked permission to give up his Moon Lake - Tufty school bus run and sell the bus to another operator.

It was moved and carried that Mr. Ken Hoople's problem regarding school busing be referred to the School Bus Committee for consideration and a recommendation.

INTERVIEW WITH STUDENTS' UNION

A delegation from the Memorial Composite High School Students' Union came to see the School Committee requesting a roof over the courtyard at the High School.

The delegation consisted of Mr. Leo R. Reynolds, Mr. Martin D. Goerzen, Miss Pat Burell, Mr. Doug Nordlund and Mr. Myron Jespersen. In their presentation they advised that this courtyard could be used for the following functions:

A. STUDENTS
1. Student Lounge
2. Student Union activities (i.e.) - films, sockhops
3. Game area
4. Cafeteria supplement
5. Keep fit room.

B. SCHOOL
1. Study hall supplement
2. extra classrooms
3. music and drama presentations
4. general assemblies
5. conference room.

C. COMMUNITY
1. Conference and meeting room
2. Evening classes
3. Recreation lounge
4. Evening concerts
5. Fine Arts presentations

Approximate cost of completed project $100,000. They also presented a detailed plan of the proposed project.

The Chairman thanked them for their presentation and advised that this matter will be thoroughly considered.

Mr. R. Lent reported that notification has been received from officials of the Town of Stony Plain to the effect that negotiations are under way for the purchase of a parcel of land by the Town and that perhaps part of this would be available for school purposes.

It was moved and carried that the Building Committee be authorized to interview and to appoint architects for the proposed Junior High School in Stony Plain.

It was moved and carried that the appointment of Mr. Chris Astle as sweeper for the Stony Plain Junior High School for the month of June at the rate of $85 per month be approved.

It was moved and carried that the teacherage from Lodgepole be moved to Lot 1, Block 38 in Drayton Valley at the new estimated cost of $4,500.

It was moved and carried that, if the stage of the Stony Plain Elementary School is required for a classroom in September, the installation of a fan be considered at that time.

It was moved and carried that the matter of a Maintenance Shop for the school repairman be referred to County Council for consideration.

It was moved and carried that Mr. E. W. Hillyer be requested to obtain quotations on the conversion of the heating system in the Stony Plain Junior High School Industrial Arts Shop.

It was moved and carried that Mr. R.A. Bailey, Mr. L.N. Miller and Mrs. Elizabeth Howery together with Mr. E.W. Hillyer be authorized to review applications and appoint a janitor for the new school in Spruce Grove with duties to commence on July 15, 1970.

TUITION AGREEMENT R.C.S.S.D. No. 111

Minutes of a meeting with officials of the Drayton Valley R.C.S.S.D. No. 111 and rough draft of a proposed tuition agreement were presented to the School Committee.

It was moved and carried that the above proposed tuition agreement with the Drayton Valley R.C.S.S.D. No. 111 be signed subject to approval by officials of the Department of Education.

In the absence of Mr. Henry Toews, Mr. W.G. Wilson presented the following report to the School Committee on behalf of the Superintendent of Schools:

STAFF APPOINTMENTS

Mrs. Marilyn Campbell, Spruce Grove, Grade 1; Mrs. Sandra Day, Drayton Valley, Grade 3; Mr. Kurt Mueller, Seba Beach High School; Mrs. Marilyn Doige, Stony Plain, Grade 1; Mr. John Williamson, Seba Beach High School; Miss Lesley

BURTONSVILLE NEWS

The past weekend and Father's Day brought many visitors to the home of Axel and Emma Homme. Albert and Bernice Osbak and family of Warburg; Dick and Lily Wheadon and family of Whitecourt; Zoltan and Norma Petriko of Edmonton; and Cecil and June Homme and family of this area came to greet Dad, on his most important day. Other visitors, one a real surprize, were Alex Hohol, his wife, and a couple of friends of Edmonton. Alex lived with W.H. Walker here for about 2 years. Coming here when he was 10 years old, in 1927 and he had not been back since 1932. After going through the war he married and settled in England. They raised two boys who are still over-seas. Alex and his wife, Winnie, came early in 1970 to Edmonton and hope to make Canada their home.

Other visitors were Della Tattersall and two children and Rita Mykituk and two children.

Norma Petriko and three children are spending a few days with Norma's parents this week.

Friends of Bryan Charlett are sorry to hear that he is in hospital with a broken arm, caused by a fall at school.

Eldon Greanya is in the High Prairie area shearing sheep and hopes to be home this weekend.

Verna Sonnonburg of Barrhead is in University Hospital. Her friends here wish her well and hope to hear that she is at home again soon.

What is a Rancher

Ranchers are usually found where there are cattle, feeding dehorning, branding, trading, roping and doctoring. Bankers hate to see them coming, little boys admire them, the Secretary of Agriculture confuses them, city people visit and don't understand them, meals wait on them, television glorifies them, but nothing discourages them.

They like fairs, rodeos, auctions, doggies, hounds, dances, neighbors, forty dollar boots, Saturday in town, poker, good weather, fist fights and rank horses.

Ranchers don't care much for poodles, dudes, government men, fixing fence, screw worms, cold weather, lightning, dairy cows, sheep, brush, or weak coffee. They put up with relatives, worms, flies, floods, blizzards, feed salesmen, drought, bad luck, and bad weather.

Today a rancher must be a salesman, animal nutritionist, vet, biologist, weather prophet, and a banker's calculated risk. He handles more money than most businessmen and makes less clear profit than a paper boy. No man is so far from church, yet so close to God. No man gets as much genuine enjoyment out of running water, television, or a good game of pool. He carries on his person at one time, bull durham, pocket knife, staples, tally book, one inch pencil, business card of at least five competing politicians (all of whom he has promised to vote for), cattle ear tags, fencing pliers, piggin string, $1.98 cent watch, billfold (empty) and a curry comb.

No one gets kicked, run over, stepped on, bruised, cut up, or as mad as he does in a single day's work.

He's overly optimistic in: the cattle market, the ten-year-old cow that has never calved, range conditions, the hay crop, and his twice renewed livestock loan.

No one is as generous, big hearted, friendly, dependable, wise or honest, and he will swap anything but his spurs, ropes or bits. He trusts his fellow man. The rancher is the producer of meat, the hope of the futre, the self-made man of today. Big business doesn't fear him. The government doesn't subsidize him He relies on free enterprise and the hope that next year will be as good or better than last. He doesn't cry on shoulders when hard times hit, but resolves to do better if he can. He knows that he either most survive without government or perish with it. THIS IS A RANCHER.

Gymkhana Planned

The Lariat Gymkhana Club will hold its third point scoring gymkhana on Sunday, July 5th at 2:00 p.m. in the Lions Park-Rodeo Ground. No admission. Everyone welcome.

They say the puppy was p a p e r - t r a i n e d, but we haven't been able to find the out-of-town paper he reads.

MINISTER TAKES POST IN EDMONTON

On July 15th Rev. Kenneth Smith will arrive in Drayton Valley to assume the responsibilities of pastoring the Drayton Valley Pentecostal Tabernacle congregation. Rev. Smith has been on loan to the Free Methodist Church of Prince Albert, Saskatchewan for the past year. He pastored in Manitoba before that time.

Rev. Smith, his wife and four boys will succeed the Kemp family, the latter leaving Drayton Valley to take up residence in Edmonton and the responsibilities of directing the Pentecostal Assemblies of Canada, Alberta District, Christian Education and Youth Department. Rev. Roy Kemp was elected to this position by the Pentecostal District Conference which convened recently in Edmonton.

Nurses Hold Final Meeting

The local chapter of the A.A.R.N. met in the Cardium Room on June 25th. Supper was served and a short business meeting followed. Mrs. Marion Palmer gave her report from the convention which was held in Calgary in May. It was decided that all high school girls wishing to apply for the scholarship bursary to go into nurses training must have their applications in by July 31st. These application forms may be picked up from Mrs. Bertha Simon at the Medical Centre. The next regular meeting will be held in the fall.

Jobs Sought For Youth

The Youth Employment Service is an agency set up to locate jobs for on-going high school students or junior high school students.

Y.E.S. is part of the cross-Canada program known as "Operation Placement" sponsored by the Canadian Chamber of Commerce and the Canada Manpower Centre.

We ask you to take a second look around your premises to find a job that a student can do.

Dessert Party Held by A.C.W.

The weatherman was kind and enabled the ladies of All Saints A.C.W. to hold their Strawberry Dessert Party outside on the lawn at the Parish Hall.

We were glad to see Mr. Eric Edholm and Mr. Helmer Ramstead having a good visit talking over old times. Many other visitors, parishoners and friends took advantage of the lovely evening and helped to make the project a very successful event.

The A.C.W. would like to thank all the ladies who baked for the bake sale and helped in many other ways. The proceeds from the Dessert Party and Bake Sale will be applied to the Loan Fund.

THANK YOU

The Mobuck Guest Ranch commends the leader and cubs of the D.V. Pack on their recent Camp-out held on our ranch June 19th to 21st.

We sincerely hope that our area and facilities were enjoyed by the boys, their leader and parents.

The camp site was left in immaculate condition which makes it a pleasure to donate our facilities to such a group.

The Leaks'. 1c

We would like to say a heartfelt 'Thanks' to our many friends in Drayton Valley. It has been a pleasure getting to know you. We would especially like to thank the congregation of the Drayton Valley Pentecostal Tabernacle for the lovely farewell gathering held in our honour on Sunday afternoon. We would request your continued prayers on our behalf as we take on the responsibilities of directing our Christian Education and Youth Department.

REGIONAL LIBRARY INVESTIGATION REVIEWED

The County of Parkland School Committee and educational administration have been investigating the feasability of establishing a regional library. To date this investigation has included a visit to the Parkland Regional Library in Lacombe by many of the school committee members and central office administrators. In turn, Mr. W.R. Bale head librarian, and Mr. E.T. Wiltshire, Supervisor of Public Libraries have made a presentation re this matter to the Principal's Association of the County of Parkland. Many of the School Committee members attended this presentation. Further to this a sub-committee has arranged visits to some of the surrounding jurisdictions. The objectives of these visits are:

To establish a regional library: (a) To give better, more economical service to both school and public libraries. (b) To obtain the larger Provincial Grants which are available under this system.

The answers to the following questions should help to clarify the situation.

1. What would participation mean to our local school and community libraries?

(a) All libraries would continue operations as before, except that book purchasing and supply would be carried out by the Regional office.

(b) No government grants would be available to individual libraries, but much larger grants would be paid to the Regional Library Board.

2. What advantages does a Regional Library service offer to the libraries?

(a) There would be a great reduction of clerical work for school and community libraries, as all books are sent ready processed for the shelves.

(b) All our librarians would benefit from the availability of a professional librarian. He would visit each of the libraries every month with the new book shipment.

(c) More books could be obtained as more money from grants is available and, secondly, as book costs are much lower when purchased through a regional library, eligible for trade discount prices.

(d) Books not on the shelves of one particular library can be obtained from any other branch library so that, in effect, a library of many volumes (200,000 at Parkland) is available to every resident.

(e) Accounting and banking charges are reduced to nil as the Regional Library pays for the book shipments.

(f) Better book ordering processes are possible since a fully trained library staff will undertake these duties.

(g) A book repair service is available.

3. How do Provincial Grants to a Regional Library differ from these presently being made to the libraries?

As an example consider the County of Parkland No. 31 for the year 1969.

Provincial Grants	$4,872.81
Municipal Grants	
County Council	400.00
School Committee	1,800.00

Total Provincial and Municipal Grants (1969) $4,872.81 + 2,200 = $7,072.81.

If a regional library had been established the grants would have been as follows:

County $17,380.00 ($1 per capita); Provincial $12,507.00 (75¢ per capita). Total $29.887.00.

This is more than four times the present grant. Also there would be a provincial establishment grant of $17,380.00 ($1 per capita).

4. What is the cost to the various towns and communities?

There is no direct cost as all financial support is obtained from the Municipal (county), and Provincial Governments. Costs related to the librarian's pay and the building to house the library would remain unchanged. It is still the responsibility of the community or municipal library to supply the building and staff. The Regional Library would supply the books.

5. What areas should be involved?

Since the annual budget of approximately $100,000.00 is recommended, the following areas should be involved.

Population figures (1969).

#31 Parkland County 10,964. Stony Plain 1,628, Spruce Grove 1.110, Drayton Valley 3,471, and Lodgepole 207, totalling 17,380.

#25 Leduc County 10,294, Leduc 3,779, Calmar 771, Warburg 438, Breton 447, and Thorsby 608, totalling 16,337.

#28 Lac Ste. Anne 6,687, Onoway 473, Sangudo 369, and Mayerthorpe 1,042, totalling 8,571.

#11 Barrhead 5,467, Barrhead 2,718, totalling 8,185.

ID 14 7,624, Evansburg 461, Wildwood 403, totalling 8,488.

ID 15 2,086, Edson 3,872, Hinton 4,461, totalling 10,419.

Total Population of area 69.380.

Budget - Municipal 69,380 ($1 per capita).

N.B. An attempt should be made to set up the regional library in 1970. This is to obtain the establishment grant in 1970 and the annual grants thereafter. Both grants would not be available for the first year of operation.

6. How is the Regional Library governed?

An autonomous board is established with representation from each of the participating units; Counties; School Boards; Municipalities. In the Parkland Regional Library (Lacombe) each affiliated area elects two board members (one representing the schools and one representing the community libraries). The regional library board is an autonomous council operating under the guidance of the Provincial authorities for public libraries.

7. How does the regional library service the individual library centres?

A monthly visit is made to each library by a professional librarian who also delivers the new stock and takes away material for repair or redundant stock.

8. Does the Regional Librarian supervise the community and school libraries?

No, assistance to librarians will be provided upon request. They will catalogue materials, rotate stock, provide advice, but bascially the Regional Librarian offers a book service.

Participation in a Regional Library would be of great benefit to both school and public libraries within the area concerned Not only would there be considerable more money available for all libraries but also the many advantages outlined above would provide much better service to the adult public and school children involved. In this age of "budget restraint" how can we afford not to participate in such a scheme?

In Alberta during 1968 accidents with hot grease, wax and paraffin were third in order of fire frequency in dwellings. In 1969 considering all the miscellaneous causes of fires in dwellings, hot grease, wax and paraffin lead the list having caused 294 fires and almost $500,000 property loss.

It may come as a surprise to home owners that the common act of preparing the family meal has such a high fire producing potential. On the other hand, fat on the fire dates back a long way in history, no doubt, to the very beginning of man's use of fire. The extent to which fire becomes dangerous relates to the amount of fat involved and control of the temperature of the grease, wax or paraffin that will keep it below its kindling point.

To avoid fires in your home or in cafe kitchens due care must be given to prevent boiling over. A common fault is throwing a large quantity of wet or frozen potato chips into hot grease. Above all, persons around cooking equipment should never remove or carry out containers with burning grease in them. It could cause serious burns and the likelihood of fire spread would be certain. Home owners should keep a supply of baking soda or a class B fire extinguisher but if the fire from this cause is in danger of catching fire onto the walls or cupboards call the fire department immediately.
